

Montgomery Farmers' Market

May 14, 2016

Hello Montgomery Farmers' Market Friends,

First and foremost, THANK YOU for making Opening Day of our 7th season a smashing success. It was fantastic to see old friends and new ones listening to music, conversing with our vendors, and having a wonderful time. The weather was certainly kind to us. Note that our market operates RAIN or SHINE!

If you missed opening day, no worries. We hope to see you this Saturday and every Saturday from now until the end of October.

Featured Vendor - Rice Family Harvest

Rice Family Harvest is truly a labor of love: love for the land, love of farming, and love of fresh quality produce. Situated on 34 beautiful acres in Oregonia Ohio, we serve as a community provider of the freshest foods of each season.

With our diverse selection of fruits and vegetables, we and our family work hard to be a favorite to all lovers of fresh, local produce. We strive to bring to your family's table all the sweet tastes you crave - mouth-

watering sweet corn, crunchy fresh picked apples, juicy peaches and all the other garden tastes you anticipate each year!

Kids: Come hunt for peas!

Parents, wish you had something a little extra to keep the kids entertained while you sip your coffee, chat with a farmer, or sit and enjoy the live music? Let me re-introduce our three peas - Penelope, Piper, and Pru! These silly stuffed peas hide in the market every week. When your child has found all three peas, visit the Market Manager's booth, report where you found them, and reap your reward of a Farmers' Buck! (Make sure the peas stay hidden for other kids to find!)
