Kid's Tasting Event This Week!

This is the week for the ***Kid's Tasting Event***, when our vendors help our parents introduce new flavors to their children. There's no telling what they will like? Honeydew melon? Ginger Gold apples? Ground cherries? Kimchi? Curried cauliflower? Who knows?

The ***Kid's Tasting Event*** is always popular. To play, come to the Manager's Booth and get a tasting checklist. Then visit participating vendors (most of them) to get a free taste. For every taste, you will get a sticker. When you complete the sheet, bring it back to the Manager's Booth for a prize and a Farmers'

Buck! One of our customers wrote on our Facebook page that she liked the event and may bring her "pickie 11-year old."

While the kids are tasting, shop for summer goodies, like corn, tomatoes, zukes and cukes, while they last. A special note about melons, because this is the perfect time to enjoy them. This week, you can find the big "Indy-lope" Athena melons, little Sugar Cube cantaloupes, and honeydew-style melons. This week, we will see a few of the fall crops, like early varieties of apples and some hard squash.

The weather looks golden *again* on Saturday morning. We hope you will come to taste and shop at the Market.

PS: If you like mushrooms, Probasco Farm is bringing oyster, lion's mane and honey mushrooms this week.

MFM Accepts Credit Cards & SNAP/EBT

MFM can now accept **SNAP** benefits (formerly known as "food stamps"), and **credit cards**. Here are the details.

To use SNAP, come to the MFM Manager's Booth to swipe your card and convert your benefits into MFM Bucks (for use at our market only).

As an added benefit, MFM has teamed up with **Produce Perks**(a non-profit), which will match the first **ten dollars** (\$10.00) of SNAP purchases for **fresh fruits and vegetables**.

This allows SNAP customers to double their first \$10 in produce purchases.

The same system will allow you to use **credit cards** at MFM. Some of our vendors already accept credit cards. For the rest, come to the Manager's Booth. We will swipe your credit card for the amount you want (in \$10 increments). You will receive MFM Bucks to use at all vendors' booths. We pass along to you our \$1.00 processing fee.

We are grateful to the City of Montgomery for their financial support and encouragement with this project. The City continues to be a strong supporter of the Market.

Make A Button

Maybe you have a little artist in the family. Maybe you're the artist. We have stickers with the MFM logo, blank stickers, lots of markers, and a button machine. For a \$1 donation, you can show your talent and support the Market. Stop by near the Manager's Booth and *make a button!*
