Big News! Winter Market Set For This Season

We are happy to announce that the Market will continue through November and into December, with the help of Montgomery Presbyterian Church!

For several years, we have wanted to extend the MFM season. But, a winter market presents a different set of challenges. The biggest one is the weather.

The Market needs to go *indoors* when Cincinnati's unpredictable fall weather turns snowy or cold.

The members of Montgomery Presbyterian Church offered to host the winter Market. Their location, at [9994 Zig Zag Rd.](#), in Montgomery, has outdoor space when the weather is sunny and crisp, indoor space when it turns wintry, and plenty of parking. It's less than 1-1/2 miles from Montgomery Elementary School, just a 5-minute drive.

Many of the details are still being worked out, but we want you to know as soon as we know so you can **keep** us on your calendar for Saturday mornings, and put us in your plans for holiday gifts. As we know more, we will pass it along to you.

We are grateful to the congregation at Montgomery Presbyterian Church and Rev. Michelle Bacon for supporting the Market and our community.

What about this week at the Market? That's below.

It looks like sunny sweater weather on Saturday. We hope to see you at the Market.

PS: Ask Crackling Crust what "bostock" is? They have them this week.

A Little Summer, A Little Fall, A Little Apple Cider

With the cool nights, we have officially turned the corner to fall. That means you can choose from the best of two seasons.

First, summer. Most of what you love is still available: tomatoes, sweet corn, melons of all kinds, summer squash, eggplant, cucumbers, okra, and beans. And with the cooler weather, the new planting of salad greens is starting to come in.

The cool nights mean we're ready to taste the first apple cider of the fall season. Also, pumpkins, Concord grapes, hard squash, new potatoes and fingerlings. Choose from several varieties of apples, including Honeycrisp and Cortland. And fall means the mums and gourds are ready.

Speaking of pumpkins, look for the first pumpkin pies! And don't forget to visit our artisan producers and bakers for pickles, mushrooms, cookies, bread, pastries, granola, croissants, fresh-roasted coffee, Italian and Thai specialties, hummus, olive oil, honey, maple syrup and goat's milk soap.

MFM Accepts Credit Cards & SNAP/EBT

MFM now accepts **SNAP** benefits (formerly known as "food stamps"), and **credit cards**. Come to the Market Manager's booth to find out about both.

We are grateful to the City of Montgomery for their financial support and encouragement with this project. The City continues to be a strong supporter of the Market.

The Peas Are Back

Let's re-introduce our three peas - Penelope, Piper, and Pru! These silly stuffed peas hide in the market every week. When your child has found all three peas, visit the Market Manager's booth, report where you found them, and Gabi will reward your child with a Farmers' Buck to spend at the Market! (Make sure the peas stay hidden for other kids to find!)

Make A Button

Maybe you have a little artist in the family. Maybe you're the artist. We have stickers with the MFM logo, blank stickers, lots of markers, and a *button machine*. For a \$1 donation, you can show your talent and support the Market. Stop by near the Manager's Booth and *make a button!*
