The Temperature Says Fall, but...

The weather will feel like fall on Saturday morning, sunny and cool. But, the warm spell was good for the farmers' (although they need some rain). Some of the summer veggies are setting another batch of blossoms. If time allows before the killing frost, we will continue to get tomatoes, summer squash, cucumbers, eggplant, beans and corn. Growers are bringing a fresh crop of fall salad greens and kale this week. And the peppers love this time of year, so grab some sweet bells and some chiles--all of them perfect for grilling and roasting.

Then there are the fall veggies, like the different varieties of hard squash. Some are good for roasting, some for soup, some for pies. They will last into the winter if you have a cool spot, so stock up.

Two of our growers are bringing several varieties of apples from their orchards. And each is blending fresh cider from this year's crop of apples.

Don't forget our bakers and chefs and the crafts people and artisans. This is a good time to start putting away gifts for the holidays, and little thank-you's for teachers and co-workers.

Grab a sweater. We hope to see you at the Market.

Winter Market Update

Here's what we know. The
Winter Market will be hosted
by Montgomery Presbyterian
Church,

[9994 Zig Zag Rd](#), which is
about a 5-minute drive from

our current home at Montgomery Elementary. We are
grateful to the church's lay leadership and Rev. Michelle
Bacon for their support.

The Market will be held Saturday morning at the same
time.

The Winter Market will run from **November
4th** until **December 23rd**. But, we will *take off* on the
Saturday after Thanksgiving.

The church is easy to find. From our current location at the school, you head north on Montgomery Rd. to the first traffic light, at Mitchell Farm Ln. Turn left and go straight until the street ends. (The name changes to Zig Zag Rd.) Turn right and the church is about two or three blocks down.

On Monday, we will walk through the indoor space at the church to see how many vendors we can accommodate. We might use some outdoor space for certain vendors when the weather is good.

Watch here for more information in the next few weeks.

MFM Accepts Credit Cards & SNAP/EBT

MFM now accepts **SNAP** benefits (formerly known as "food stamps"), and **credit cards**. Come to the Market Manager's booth to find out about both.

We are grateful to the City of Montgomery for their financial support and encouragement with this project. The City continues to be a strong supporter of the Market.

The Peas Are Back

Let's re-introduce our three peas - Penelope, Piper, and Pru! These silly stuffed peas hide in the market every week. When your child has found all three peas, visit the Market Manager's booth, report where you found them, and Gabi will reward your child with a Farmers' Buck to spend at the Market! (Make sure the peas stay hidden for other kids to find!)

Make A Button

Maybe you have a little artist in the family. Maybe you're the artist. We have stickers with the MFM logo, blank stickers, lots of markers, and a *button machine*. For a \$1 donation, you can show your talent and support the Market. Stop by near the Manager's Booth and *make a button!*
