### CHILDREN'S ACTIVITY:

**MUSICIAN OF THE WEEK:** Miriam Stenson - Irish Bluegrass

**BUSINESS OF THE WEEK:** Carmen Maxwell

**CRAFTER OF THE WEEK:** Jewelry by Samantha

**FOOD TRUCK OF THE WEEK:** Catch-A-Fire Pizza

Catch-a-Fire Pizza is enthusiastic about providing the area's finest wood-fired craft pizzas, from a mobile platform. By focusing on classical technique combined with the finest ingredients, Catch-a-Fire Pizza prepares traditional Napolitan style pizzas. This very specific style starts with the dough, which will be made of a highly refined pizza flour. The sauce will be a simple, yet elegant puree of San Marzano tomatoes, which grow on the plains to the south of Mount Vesuvius, absorbing the flavors of the nutrient rich soil. These special pies will all be cooked to perfection in a wood burning, brick oven with temperatures up to 800 degrees Fahrenheit. The subtle smoke of the fruitwoods burned into the crispy, yet chewy crust will enhance the flavor of each pie. In addition to classics such as Margherita and pepperoni, a variety of featured pizzas will be rotated regularly.

**It's getting hot out there, so we'll keep you hydrated!**

The Montgomery Farmers' Market management is pleased to offer patrons free water during these upcoming hot days. A water jug will be placed at the market manager's booth. While paper cups will also be available, we'd really appreciate it if patrons could bring their own re-usable bottles to fill up from the jug.

**In Need of a Bathroom break?**

**MED+ URGENT CARE** has graciously offered patrons of the Montgomery Farmers' Market who are in need of a potty break to come on in. They are located two doors down from the market at 9549 Montgomery Road. If you do use their facilities, please THANK THEM for their hospitality and be sure to turn to Med Plus when you or a member of your family needs urgent care!
