Dear friend,

Warmer weather and spring rainstorms are good news for the market! We hope for clear skies on Saturday, but these rain clouds are good news for all the local farmers. And we get to benefit, too! Last week brought the first tastes of **strawberries and asparagus**, and we should see more this week! Come early before our farmers sell out!

You have one more chance to admire and support the students of **Montgomery Elementary School** as they sell the produce they worked hard to grow this year.

Please keep your eye out for our **new recycling bin**! Our big blue bin can accept:

Glass

Cans

Non-food related paper items

Plastic containers with a base bigger than the opening

If you have questions, ask Andy the market manager.

Ever wonder how you can give back to your favorite farmers' market? We would love to have you volunteer with us! Complete our **online volunteer form** or visit the manager's booth to sign up!

See you Saturday,

Montgomery Farmers' Market Board

Kids: Come hunt for peas!

Parents, wish you had something a little extra to keep the kids entertained while you sip your coffee, chat with a farmer, or sit and enjoy the live music? Let me re-introduce our Peas! These three silly stuffed peas hide in the market every week. When your kid has found all three peas, have him/her visit the Market Manager's booth, report where the peas are hiding, and reap the reward of a Farmers' Buck! (Make sure the peas stay hidden for other kids to find!)

More than anything, we want to be sure that all of our visitors (2 and 4 legged!) and vendors have a safe and enjoyable time at the Market. We appreciate your cooperation and support.
