

Do you know what we celebrate every year on October 24?

Food Day!

Every October 24th is [Food Day](#)! Food Day is a day to resolve to make changes in our own diets and to take action to solve food-related problems in our communities at the local, state, and national level. You can celebrate by coming to the farmers' market and buying some delicious food to prepare and share with those you care about. One of our own board members is hosting a Food Day event. Check out [what she's doing](#), and how you can join her!

Start thinking about the winter season and what kinds of goods you may want to stock up on or purchase ahead for holiday gifts. Coffee, soap, honey, olive oil, jams, frozen soup, frozen meat, granola, seasoning blends, maple syrup, and more can all be found at our market!

See you Saturday morning!

October 24th is also [Making a Difference Day](#) in Montgomery! Check out what's going on and how you can get involved.

What to Look Forward To

Every week the market will feature many of our regular vendors along with a selection of rotating vendors. Click on links to learn more about each vendor.
