

February 22, 2021

Greetings Montgomery Farmers' Market customers, volunteers and vendors!

We just wanted to send you an update so you know what we have been up to during our "off months." The old adage is true ... 80% planning, 20% implementation!

Right now we are collecting applications from current and prospective vendors, local businesses, non-profits and musicians. It is our hope that we will be able to bring live music back sometime in July. Time (and COVID-19) will tell. The applications are important as we also collect insurance and other key information at that time. It is exciting to consider new vendors and we will definitely have some surprises for you this season.

We are planning the market's layout and expect to add 6 new vendor spots for 2021! These additional vendors will have no impact on our parking ... you will still be able to park on site or right next door.

In addition to vendors, we are currently on the lookout for sponsors, so if you or your business is interested in supporting the market, please get in touch. We can offer booth space and valuable marketing opportunities in exchange for your financial support. There are several levels of sponsorship to choose from. If interested please contact Stuart at [stuartzanger@gmail.com](mailto:stuartzanger@gmail.com) or 513-919-1270.

We are also creating our volunteer schedule and are always happy to add new people to the mix. One of our extra fun tasks is to have children volunteer to ring our Opening Bell at 9am! If interested please call or text John at 513-886-7277.

Our Opening Day will be Saturday, May 1st and on that day we will be collecting donations for Operation Give Back in memory of Gerri Harbison. Gerri was a member of the Montgomery City Council for more than 20 years, and our Mayor from 2005 to 2011. Operation Give Back was one of many community organizations that she supported so please consider joining us in our efforts to honor Gerri's memory on May 1st. More info on this to come!

That's it for now ... we'll be back in touch as we get closer to Opening Day. If you have any questions please fee

As always, thank you for your support!

Adrienne Davidson, Market Manager  
Connie Banning, Board Member and Farm Visit Coordinator  
Jane Shea, Board Secretary  
Jeff Gartner, Board Member and Bell Ringer Coordinator  
John Devore, Board Member and Volunteer Coordinator  
Larry Dannenberg, Board Member and Webmaster  
Stuart Zanger, Board President  
Ted Reilly, Board Treasurer

Thank you to our wonderful sponsor, Heritage Bank!
