

# Become A Sponsor

Our mission is to enhance the quality of life in Montgomery by providing fresh, seasonal, locally-produced food and products to our community. We are proud to create a weekly fun family oriented event fostering community involvement, social gathering and business interaction.

Our Market is at the center of our thriving Montgomery community. Every market day, we enjoy seeing neighbors greeting each other and our vendors hugging their customers. In addition to the beautiful and delicious locally grown and produced food, there's music and children's activities.

Established in 2009, we continue to grow and now attract an average of around 1,000 people each week during the busy growing season, with as many as 1,500 during our special events. We reach over 7,500 people each month on social media. Moreover, 1,400 subscribers receive our weekly email newsletter!

Connect your business or organization with all of these Montgomery families and our larger community, as well as with our local farmers and artisans. We have four sponsorship levels detailed on the next page, along with an opportunity for individuals to become a Friend of the Farmers' Market.

## Organization/Business Sponsorship Levels
