Pop-up: Fork and Pie Bakery

We at Fork and Pie Bakery are the real deal! Farm-to-table is not exclusive to us; we go the extra mile and only serve food that comes fresh from our garden. With all-natural ingredients, our local producers work to give you some great-tasting comfort food. With a menu of freshly baked pies, bread, cookies, scones, and other delicious bakery items, including gluten-free options, you're sure to order something that tastes amazing.

Many of the ingredients we use come straight from baker and owner, Stevie Rufener's, home garden and family's farm in Southeast Ohio. Everything is harvested and gathered by our family and brought straight to the bakery located on the east side of Cincinnati. As for items we cannot source locally (like the fresh-milled sorghum flour we use in our gluten-free crusts), we rely on the small producers we've built relationships with for our supply.

Food to us is not just about sustenance: It's about the togetherness of family and community. Whether you find us at a farmers' market, local coffee shops, invite us to cater, or visit our bakery, you will be treated and fed as a welcome guest.

Pups

A friendly reminder to our dog-loving friends to keep dogs on a leash and maintain control of them at all times while visiting the Market. Also keep the temperature in mind as the asphalt can get extra hot. More than anything, we want to be sure that all of our visitors (both 2- and 4-legged!) and vendors have a safe and enjoyable time at the Market.

We appreciate your cooperation and support.
