

Alas, it is the final week for the Montgomery Farmers' Market. Come out one last time and grab some gifts for your loved ones and some treats for your Thanksgiving celebration.

Some gift ideas include boxes of chocolate from Ilan's Raw Chocolates, decorated cookies from Kim's Cookies, fudge from Boone Creek Creamery, some lovely loose tea or coffee beans from Wendigo Tea and Coffee Emporium, or some candles and soap from The Scentery.

As always, we will have fresh meats, cheeses and produce for you and lots of baked goods from bread to cookies to croissants.

Thank you for your support this season. We truly appreciate YOU and look forward to serving you again next year starting on May 7th, 2022. So mark

your calendars!

But first, one more Saturday.

See you soon!

As always, we are open from 9am-12:30pm every Saturday, from May through the Saturday before Thanksgiving (Nov. 20th). We are located in the Montgomery Elementary School parking lot at 9609 Montgomery Road, Cincinnati, OH 45242. Come join in the fun!

## Pups

A friendly reminder to our dog-loving friends to keep dogs on a leash and maintain control of them at all times while visiting the Market. Also keep the temperature in mind as the asphalt can get extra hot. More than anything, we want to be sure that all of our visitors (both 2- and 4-legged!) and vendors have a safe and enjoyable time at the Market.

We appreciate your cooperation and support.
