

Gooseberries are available at Salatin's Orchard, for a limited time only! Never used them before? Have no fear, here are some ideas for you:

Gooseberries: raw berries can be quite sour to relatively sweet if they are more on the ripened side. If your berries are sour, consider poaching them for 10-15 minutes and then using them in a crumble or a pie. Or, blend them up after poaching to top your ice cream or over your favorite cut of pork or chicken. If your berries are sweet, you can enjoy them raw.

Alamo Electronics will be on site with the answers to all of your high-end sound system questions, RLM Woodworking is bringing their fabulous cutting board and Fetching Fibers will have their beautiful, handmade shawls. Lots of variety this week!

Our musician will be the One Man Jazz Band and

the food truck is Marty's Waffles! Read on for a list of all of this week's participating vendors and to learn exactly what else is in season.

A reminder to all customers, we do not have a public restroom so please plan your visit accordingly.

As always, we are open from 9am-12:30pm every Saturday, from May through October (no Winter market this year). We are located in the Montgomery Elementary School parking lot at 9609 Montgomery Road, Cincinnati, OH 45242. Come join in the fun!

What's in season for June 18th?

TO BE UPDATED

Strawberries, garlic scapes, zucchini, maybe squash, cauliflower, carrots, broccoli, cucumbers, red skinned potatoes, kohlrabi, asparagus, cherry tomatoes, turnips, spinach, kale, romaine, spring mix, radishes, sugar snap peas, green onions, beets, garlic, mini bell peppers, baby Bibb, baby Romaine, baby Kale, multiple varieties of living head lettuce, wheatgrass, lettuce mixes, baby mustard mix, herbs, mint, greens, microgreens, popcorn,

Pine Lane Soaps

Pine Lane Soaps is happy to be back at our Montgomery Farmers' Market for the 12th year! Martha Enriquez's 88-acre farm near Batavia in Clermont County has been in the family for over 60 years. They raise Toggenburg and Saanens dairy goats; both are strong breeds known for their capacious udders.

Goat milk is high in fat, and combined with the other natural oils Pine Lane uses, makes for a fabulous moisturizing soap.

The natural glycerin remains through Pine Lane's Cold Process method, which is why their soaps are so much more moisturizing than commercial soap or shower gel. No harsh chemicals, additives or alcohol are used that can irritate or dry the skin. Moreover, goat's milk has the same pH as human skin.

You will also find lotions, lip balms, shaving soaps, shampoo bars, loofah scrubbies, and more in Pine Lane's space at our Market. Plus lots of helpful information from Martha to help you find the right product for you!

There's an open house at Pine Lane Farm scheduled for after the market, Saturday, June 18th from 2 - 5pm. Another will be scheduled in September!

FULL-TIME VENDORS

Pups

A friendly reminder to our dog-loving friends to keep dogs on a leash and maintain control of them at all times while visiting the Market. Also keep the temperature in mind as the asphalt can get extra hot. More than anything, we want to be sure that all of our

visitors (both 2- and 4-legged!) and vendors have a safe and enjoyable time at the Market.

We appreciate your cooperation and support.
