

7/9/2022

Summer produce abounds! We have everything from fresh salad fixings to stir fry favorites like broccoli, candy onions and snow pea pods.

This week, RLM Woodworking will be back with their gorgeous trays, cutting boards and other items. Also, Always Canning will be back with a wide array of jellies to enjoy. Plus, Dee Dee's Feline Angels will have some 4-footed friends ready for adoption or foster!

Our musician will be Elia Burkhart and our food truck is J's Fish Tacos! Read on for a list of all of this week's participating vendors and to learn exactly what else is in season.

A reminder to all customers, we do not have a public restroom so please plan your visit accordingly.

As always, we are open from 9am-12:30pm every Saturday, from May

through October (no Winter market this year). We are located in the Montgomery Elementary School parking lot at 9609 Montgomery Road, Cincinnati, OH 45242. Come join in the fun!

## Rice Family Harvest

Rice Family Harvest is all about family! Their family farm is situated on 35 acres of beautiful farmland in Oregonia in Warren County. Our Montgomery Farmers' Market friends know them for their fresh, juicy, crisp fruits and veggies that they bring to market every week or to their homes through the [Rice CSA](#).

What a lot of people don't know is that Nancy and Doug did not grow up farming ... they made that decision later. While Nancy grew up across the street from a dairy farm and Doug's grandparents had a farm in central Kentucky for several years, they started out working for companies in more "normal pursuits." But they always felt they were meant to farm. So as they and their kids got older, they really began to work to make it happen, and about 12 years ago they made the complete jump to full time farming. Nancy and Doug say they have never worked so hard ... nor felt so fulfilled!

Growing organically takes a lot of research to stay informed on the latest methods. Doug has been having great success with multiple cover crops in different seasons and between rows. Farming has long used cover crops, but as more farms study the [best cover crops for the soil and carbon sequestration](#), we might just all help the planet too!

Each year Rice Family Harvest tries something new and this year will be no exception. Their biggest happiness is seeing our Market friends find that special item they will take home and share with their family!

## Pups

A friendly reminder to our dog-loving friends to keep dogs on a leash and maintain control of them at all times while visiting the Market. Also keep the temperature in mind as the asphalt can get extra hot. More than anything, we want to be sure that all of our visitors (both 2- and 4-legged!) and vendors have a safe and enjoyable time at the Market.

We appreciate your cooperation and support.
