Roothouse Aquaponics is Back!

We have been working hard to get back to markets as we truly miss all of our Market customers and friends. This summer has been full of wonderful challenges! After 3 years of building a new business, we hit a point where we could not grow enough lettuce

to meet the demand! Considering our business started in February of 2020 at the onset of the pandemic, we are thrilled to have had such a positive response from our local communities. Our produce certainly stands out at markets, local retailers & restaurants, with a very long shelf life, premium quality taste and a pleasing aesthetic. We stand strong with our unique natural methods of raising a healthy ecosystem of fish and produce in the same greenhouse.

Thank you for your continued support of Roothouse Aquaponics! The team and I hope to see you soon at the Market to finish out the season strong!

Come out and visit the TriHealth booth to learn more about the importance of mammography screening, how the new Ohio dense breast legislation might impact you, and learn more about risk factors for breast cancer. We will have giveaways and a game for a chance to win other fun prizes!

Pups

A friendly reminder to our dog-loving friends to keep dogs on a leash and maintain control of them at all times while visiting the Market. Also keep the temperature in mind as the asphalt can get extra hot. More than anything, we want to be sure that all of our visitors (both 2- and 4-legged!) and vendors have a safe and enjoyable time at the Market.

We appreciate your cooperation and support.
